

Final (Regular) Online Examination Timetable for 1<sup>st</sup> Semester of 20S-Batch

<b>Date &amp; Time</b>	<b>APPLIED MATHEMATICS</b>	<b>ENGLISH LINGUISTICS</b>
16-07-2020 <b>THURSDAY</b>	Advanced Differential Equations	Applied Linguistics
20-07-2020 <b>MONDAY</b>	Advanced Linear Algebra	Globalization & Spread of English
23-07-2020 <b>THURSDAY</b>	Scientific Computing	Teaching and Research Motivation
27-08-2020 <b>MONDAY</b>		Research Methodology in Linguistics

**Note: INTRUCTIONS REGARDING THE CONDUCT OF ONLINE OPEN BOOK EXAMINATION**

1. Question paper (Open book exam) along with QUIZ (MCQs) will be uploaded by concerned teacher on MS Teams as per notified time table (**Question Paper at 3.00 pm; QUIZ at 3.15pm**). However, it is mandatory for the student to start **his / her QUIZ test at 3:15 pm**. If the student is unable to attempt the QUIZ in prescribed time, he /she will miss the attempt of QUIZ test.
2. Those student having serious issues regarding the failure of electricity or Internet Connectivity, may be provided facilities to appear in online examine in university premises. However, they must provide the affidavit and health report following the SOPs.
3. Concerned teacher will upload the open book exam paper on MS team at 3.00pm as per notified time and must check the exact closing time of 36 hours on MS Team (**For example; Start time: Monday 3.00pm, Closing time: Wednesday 3.00 am** )
4. Concerned teacher will upload the QUIZ (MCQs) paper on MS team at 3.15pm as per notified time and must check the exact closing time of **10 minutes** on MS Team (**For example; Start time: Monday 3.15pm, Closing time: Monday 3.25 pm**)
5. Concerned teacher may conduct the presentation and viva consecutively. However, teacher may upload the presentation topics before the start or on the first day of exam, and conduct the presentation and viva at convenience between teacher and student but before the start of next paper.

**DIRECTORATE OF POSTGRADUATE STUDIES**

Final (Regular) Online Examination Timetable for 1<sup>st</sup> Semester of 20S-Batch

Date & Day	Civil Engineering	Structural Engineering	Geotechnical & Highway Engineering	Construction Management	City & Regional Planning
16-07-2020 <b>THURSDAY</b>	Advanced Soil Mechanics	Computer Applications in Structural Engineering	Pavement Materials Engineering	Quality Management & Construction Performance	Regional Development Planning
20-07-2020 <b>MONDAY</b>	Computer Methods in Civil Engineering	Advanced Reinforced Concrete	Ground Improvement Techniques	Construction and Building Economic	Urban Land & Real Estate Management
23-07-2020 <b>THURSDAY</b>	Highway Materials	Advanced Structural Analysis	Geometric Design of Highway	Research & Communication in Construction Management **	--
27-07-2020 <b>MONDAY</b>	Advanced Concrete Technology	Advanced Concrete Technology	Advanced Soil Mechanics and Testing	Advanced Construction Project Management	Planning Theory

**Note: INTRUCTIONS REGARDING THE CONDUCT OF ONLINE OPEN BOOK EXAMINATION**

6. Concerned teacher will upload the QUIZ (MCQs) paper on MS team at 3.15pm as per notified time and must check the exact closing time of **10 minutes** on MS Team (**For example; Start time: Monday 3.15pm, Closing time: Monday 3.25 pm**)
- 4.
5. Concerned teacher may conduct the presentation and viva consecutively. However, teacher may upload the presentation topics before the start or on the first day of exam, and conduct the presentation and viva at convenience between teacher and student but before the start of next paper.

## DIRECTORATE OF POSTGRADUATE STUDIES

Final (Regular) Online Examination Timetable for 1<sup>st</sup> Semester of 20S-Batch

Date & Day	Energy Systems Engineering	Manufacturing Engineering	Chemical Engineering	Metallurgy & Materials Engineering	Industrial Engineering & Management	Mining Engineering	Textile Engineering
16-07-2020 <b>THURSDAY</b>	Electricity Transmission, Distribution and Storage	Advanced Manufacturing Processes	Combustion and Clean Coal Technology	Advanced Manufacturing Processes	Entrepreneurship**	Design and Control of Mine Water	Yarn Engineering
20-07-2020 <b>MONDAY</b>	Fluid Flow and Heat Transfer	Green Manufacturing **	Advanced Transport Phenomena	Mechanical Behavior of Materials	Organizational Behavior**	Computer Aided Mine Planning and Design (Pr.)	Woven Fabric Engineering**
23-07-2020 <b>THURSDAY</b>	Energy Systems Lab-I	Production Engineering & Management	Bio processing and Food Technology**	Design and Selection of Engineering Materials **	Human Resources Management	----	Textile Composites**
27-07-2020 <b>MONDAY</b>	Renewable Energy Systems	Materials Engineering	Natural Gas Processing*	Material Characterization Techniques (Th.)**	Business Forecasting	Rock Mechanics Design	Advanced Fiber Science
03-08-2020 <b>MONDAY</b>	----	---	---	Advanced Characterization Techniques (Pr.)	---	---	Applied Textile Process Engineering**
