

Date & Time	English Linguistics	Applied Mathematics
FRIDAY 17-07-2020	Teaching & Learning English in Large Classes	Finite Element Analysis
TUESDAY 21-07-2020	Computational Linguistics	----
FRIDAY 24-07-2020	Language Assessment	Modeling and Simulation

Note: INTRUCTIONS REGARDING THE CONDUCT OF ONLINE OPEN BOOK EXAMINATION

1. Question paper (Open book exam) along with QUIZ (MCQs) will be uploaded by concerned teacher on MS Teams as per notified time table (**Question Paper at 3.00 pm; QUIZ at 3.15pm**). However, it is mandatory for the student to start **his / her QUIZ test at 3:15 pm**. If the student is unable to attempt the QUIZ in prescribed time, he /she will miss the attempt of QUIZ test.
2. Those student having serious issues regarding the failure of electricity or Internet Connectivity, may be provided facilities to appear in online examine in university premises. However, they must provide the affidavit and health report following the SOPs.
3. Concerned teacher will upload the open book exam paper on MS team at 3.00pm as per notified time and must check the exact closing time of 36 hours on MS Team (**For example; Start time: Monday 3.00pm, Closing time: Wednesday 3.00 am**)
4. Concerned teacher will upload the QUIZ (MCQs) paper on MS team at 3.15pm as per notified time and must check the exact closing time of **10 minutes** on MS Team (**For example; Start time: Monday 3.15pm, Closing time: Monday 3.30 pm**)
5. Concerned teacher may conduct the presentation and viva consecutively. However, teacher may upload the presentation topics before the start or on the first day of exam, and conduct the presentation and viva at convenience between teacher and student but before the start of next paper.

DIRECTORATE OF POSTGRADUATE STUDIES

Final (Regular) Online Examination Timetable for 3rd Semester of 19S-Batch

Date & Time	Energy Systems Engineering	Manufacturing Engineering	Chemical Engineering	Metallurgy & Materials Engineering	Industrial Engineering & Management	Mining Engineering	Textile Engineering
FRIDAY 17-07-2020	Energy Economics and Management	Quality Control & Reliability	Advanced Separation Processes and Membrane Technology	Corrosion Prevention and Control**	Engineering Economy**	Mine Cost Analysis and Control**	Knitted Fabric Engineering**
TUESDAY 21-07-2020	Energy Systems for Buildings	Automation & Control (Th.)*	Energy Management**	Manufacturing Technology	Rapid Manufacturing Techniques**	Advanced Mineral Processing**	Textile Standard and Methods**
FRIDAY 24-07-2020	---	Automation & Control Pr.	Health Safety and Environment**	---	Research Techniques**	---	---
MONDAY 27-07-2020	Advanced Power Generation Systems	Manufacturing Metrology & Precision Engineering**	Reactor Design and Kinetics	Advanced Characterization Techniques	Implementation of Computer Integrated Manufacturing	Modern Mine Management	Clothing Construction Engineering**

Note: INSTRUCTIONS REGARDING THE CONDUCT OF ONLINE OPEN BOOK EXAMINATION

1. Question paper (Open book exam) along with QUIZ (MCQs) will be uploaded by concerned teacher on MS Teams as per notified time table (**Question Paper at 3.00 pm; QUIZ at 3.15pm**). However, it is mandatory for the student to start **his / her QUIZ test at 3:15 pm**. If the student is unable to attempt the QUIZ in prescribed time, he /she will miss the attempt of QUIZ test.
2. Those student having serious issues regarding the failure of electricity or Internet Connectivity, may be provided facilities to appear in online examine in university premises. However, they must provide the affidavit and health report following the SOPs.
3. Concerned teacher will upload the open book exam paper on MS team at 3.00pm as per notified time and must check the exact closing time of 36 hours on MS Team (**For example; Start time: Monday 3.00pm, Closing time: Wednesday 3.00 am**)
6. Concerned teacher will upload the QUIZ (MCQs) paper on MS team at 3.15pm as per notified time and must check the exact closing time of **10 minutes** on MS Team (**For example; Start time: Monday 3.15pm, Closing time: Monday 3.25 pm**)
- 4.
5. Concerned teacher may conduct the presentation and viva consecutively. However, teacher may upload the presentation topics before the start or on the first day of exam, and conduct the presentation and viva at convenience between teacher and student but before the start of next paper.

Final (Regular) Online Examination Timetable for 3rd Semester of 19S-Batch

Date & Time	Civil Engineering	Geotechnical & Highway Engineering	Construction Management	Structural Engineering	Architecture	City & Regional Planning
FRIDAY 17-07-2020	Pre-Stressed Concrete	Traffic Engineering	Construction Equipment & Management	Seismic Analysis and Design	Architectural Construction, Services & Technology	Infrastructure Planning
TUESDAY 21-07-2020	Advanced Irrigation Engineering	Transportation Planning and Policy**	Knowledge Management **	Analysis and Design of Bridges	Urban and Community Design	---
FRIDAY 24-07-2020	Advanced Foundation Engineering	Pavement Maintenance & Rehabilitation	Construction Risk Management	Design of Tall Buildings	Project Planning and Implementation	Comparative Urban Planning
