

**Mehran University of Engineering and Technology, Jamshoro**  
**Institute of Information and Communication Technologies**

**Seminars of ME students of IICT**

The Initial/Final seminars of Master of Engineering projects of IICT students are expected to be held in December 2016. The eligible students should register their names on or before **6<sup>th</sup> December 2016** for conduct of Initial/Final seminars. Students should submit the following documents at the time of registration.

**For Initial Seminar**

- Research Proposal proforma duly signed by the supervisor, co-supervisor, Head of the Department, Co-Director IICT, Director IICT and the Dean of the Faculty. Each page of the research proposal should be signed by the candidate and the supervisor(s).
- Turnitin Similarly Index Report. The supervisor should scan and sign the proposal for plagiarism. One supervisor can supervise and co-supervise up to 10 projects of any one batch.
- Students of 2014 and 2015 batch shall submit an attested photo copy of first semester marks sheet. All other students shall submit attested copy of first and second semester. Old ELP students (up to batch 2013) shall submit first, second and third term marks sheets.
- Copy of the Enrolment Card.
- Pass certificate of the Bachelor's degree

**For Final Seminar**

- An application through supervisor that the candidate is ready for the final seminar.
- Attested photo copies of the marks sheets of first, second and third semester if not submitted earlier.
- Copy of the enrolment card if not already submitted.

**IMPORTANT:** The Higher Education Commission of Pakistan has directed that the duration of ME course should not be more than 04 years. Old students (up to 2013 batch) must complete their degree requirements as soon as possible. This University shall not be responsible if HEC does not recognize the degrees of old students.

**For Supervisors:** As per HEC Guidelines, a PhD holder faculty member must not supervise and co-supervise more than 10 research projects at a time and a Master degree holder faculty member must not supervise/Co-Supervise more than 05 projects at a time. All faculty members are requested not to exceed this threshold.
