

Address: BSRS Department Mehran UET, Jamshoro
Cell: +92331-3630600
Email: ayaz.mallah@faculty.mueta.edu.pk
ayazmallah838@gmail.com

Objective

To acquire an exciting position where there is an opportunity to work in an environment of excellence and passion.

Personal Information

- Father's Name : Niaz Hussain
- Surname : Mallah
- Date of Birth : 15-12-1994
- C.N.I.C No : 41306-49666607-7
- Domicile : Dadu
- Marital Status : Single

Education

- M.Phil (Applied Mathematics) @ MUET, Jamshoro.
(1st Class) 2021
- BS (Mathematics) University of Sindh, Jamshoro.
(1st Class) 2016
- B.Ed (Education) @ Allama Iqbal Open University
(1st Class) 2018
- Intermediate (Pre: Eng:) B.I.S.E Hyderabad
(B Grade) 2012
- Matriculation B.I.S.E Hyderabad
(A-1 Grade) 2010

Research Topic

- **RESEARCH TOPIC IN MASTER OF PHILOSOPHY IN APPLIED MATHEMATICS.**
- "An improved root location method for fast convergence of Non-linear Equations. "

Other Qualification

- Graduate Assessment Test (GAT) General Qualified.
- MATLAB Short Course @ MUET

Computer Skill

- Good command over MATLAB
- Good command over MAPPLE
- MS Office and its tools

Experience

- INSTITUTE:
Department of Basic Sciences and related Studies at Mehran University of Engineering and Technology, Jamshoro.
Worked as a Junior Lecturer
From 15 October 2021 to till date.
- INSTITUTE:
Department of Basic Sciences and related Studies at Mehran University of Engineering and Technology, Jamshoro.
Worked as visiting faculty
From 11 October 2019 to 14 October 2021
Worked as a Teaching Assistant
From 12 April 2018 to 11 October 2019.

Hobbies

- Reading, Writing, Listening, participating in debates, and counseling fresh graduates.

Publication

- 1. Ayaz Ali, Dr. Asif Ali Shaikh, Sania Qureshi, (2020), AN IMPROVED ROOT LOCATION METHOD FOR FAST CONVERGENCE OF NONLINEAR EQUATIONS,
Mathematical Theory and Modeling,
- 2. Ayaz Ali Mallah, Mr. Tarique. A note on some Ostrowski type inequalities via generalized exponentially convex functions.
Journal of Mathematical Analysis and Modeling

Research Interest

- Applied and Computational mathematics

Languages

- English, Sindhi & Urdu.
