Institute of Information and Communication Technologies

Seminars of ME Students of IICT

The Initial/Final seminars of Master of Engineering projects of IICT students are expected to be held in November 2017. The eligible students should register their names on or before 31st October 2017 for conduct of Initial/Final seminars. Students should submit the following documents at the time of registration.

For Initial Seminar

- Research Proposal proforma duly signed by the supervisor, co-supervisor, Head of the Department, Director IICT and the Dean of the Faculty. Each page of the research proposal should be signed by the candidate and the supervisor(s).
- Similarity Index Report. The supervisor should scan and sign the proposal for plagiarism.
- Students of 2017 batch shall submit an attested photo copy of first semester marks sheet. All other students shall submit attested copy of first, second and third semester marks sheets.
- Copy of the Enrolment Card.
- Pass certificate of the Bachelor's degree

For Final Seminar

- An application through supervisor that the candidate is ready for the final seminar.
- Attested photo copies of the marks sheets of first, second and third semester if not submitted earlier.
- Copy of the enrolment card if not already submitted.

Director IICT
